

Remarks:

This amendment is submitted in an earnest effort to advance this case to issue without delay. The examiner has indicated that the case contains allowable subject matter.

The specification has been amended to eliminate some minor obvious errors. No new matter whatsoever has been added.

Claim 7, which was directed at a set of dental implants and which depended via claim 6 on independent claim 1, has been found to contain allowable subject matter. Accordingly, a new claim 10 has been inserted into the application, claims 1, 6, and 7 have been canceled, and all remaining claims have been amended to depend from claim 10.

Thus all of the claims in the case are in condition for allowance. Notice to that effect is respectfully requested.

If only minor problems that could be corrected by means of a telephone conference stand in the way of allowance of this

case, the examiner is invited to call the undersigned to make the necessary corrections.

Respectfully submitted,
The Firm of Karl F. Ross P.C.
